FOR THE PERSONAL ATTENTION OF  
COMMISSIONER R.H. SIMMONDS

Recently the C.O. "E" Division provided you with comments of the Officer Corps in that Division on the topic of homosexuality and emerging Government policies.

Officers of "O" Division have seen the "E" Division material and have asked me to advise you, on their behalf, that they fully subscribe to its sentiments. My own views are already a matter of record and are in total harmony with the "E" Division submission.

While I appreciate that you have not solicited these comments, it is hoped that they may assist you in developing the Force's corporate position on this most sensitive and emotional issue.
