Comments/Remarques

Reference is made to your memorandum dated April 30, 1987.

As you are aware, I have been assigned to assist yourself and S/Sgt. Dave Tough with the "project" leading to the development of an RCMP policy position relating to the employment of homosexuals in the RCMP (e.g. as peace officers).

As a starting point I believe it would be useful if I were to meet with yourself, S/Sgt. Tough and any other personnel you would like to have present to discuss our proposed course of action in this respect. For this purpose, I will be available next week with the exception of next Tuesday morning (May 19) and I would be pleased to make arrangements to have our boardroom available for this purpose. I can be reached at 993-1179 and perhaps you may wish to call me and we can agree on a mutually convenient time and date for a meeting.
