RESPONSE TO DND CORRESPONDENCE

Attached is a draft letter (and diskette) for transmittal to the Deputy Commissioner, Human Resources. It is a response to correspondence from the Director General Personnel Policy at DND.

The letter reflects information gleaned from files in Central Registry as well as files on the topic of sexual orientation held at Departmental Security. The information was discussed and verified with senior NCO's in S&P who have dealt with the issue in the past.

Considerable time has so far been invested in this response. It is surprising that on an issue which is now so prominent relatively little formal information or correspondence exists to explain the change in RCMP practices. It is not likely that further research would turn up any more information.
