Dear Mr. Morley:

Attached please find correspondence between the National Gay Rights Coalition and the Solicitor General of Canada. This was followed up by the enclosed letter of August 23, addressed to the Prime Minister with their News Release dated August 17, 1977.

You will note from the attached correspondence that I have requested assistance in the preparation of this reply. However, since the letter raises numerous issues and involves so many departments, I would appreciate your views on the subject. I have also been thinking that it might be advisable for all concerned to meet for the purpose of discussing the type of reply which should be prepared for the Prime Minister's signature.

I shall be returning from vacation on September 26th and hope to be in touch with you at that point to discuss your views on the matter.

Sincerely,

MCA Lynn M. MacDonald,
Social Policy Secretariat
