Canadian Human Rights Act Review Conducted by Justice

Attached are comments from the various Treasury Board Secretariat branches on the draft Memorandum to Cabinet and detailed recommendations for amendments to the CHRA developed by Justice.

Justice has indicated that they have endeavoured to balance the concerns expressed by departments and by the 55-60 private sector groups that they met with in June and present one approach that is moderate yet meets many of those concerns.

In light of the September 26 deadline set up by Justice, I would appreciate that you let me know, as soon as possible, if you agree with the attached comments (comments regarding the Purpose Clause will be forwarded to you at a later date, if required).
