

A-2 R.C.M.P. PERSONNEL SCREENING

appears for the:-
This section screens Force, P.S., S/Cst., C/Ms, and marriage applicants.

Recruiting forward the appropriate file together with a 114, an A-48 and a 526 or if P.S., a PHF to Records Management for a name check. The results of the check are passed to the X-Ref. section who decide if they pertain to same person or not.

If a service file is required, it is drawn ^{personally} by the section.

If the file is considered adverse, it is passed to briefing or to Internal Security.

If no trace, or the trace is not considered adverse, the PHF is stamped "NO ADVERSE RECORD" and a copy returned to the enquirer and if for the Force, placed on the applicant's service file.

A-48s are never sent to X-Ref. but are handled directly by the section. They are usually used for updating purposes. The procedure is as above but all information is passed to the Security Service Security Office or R.C.M.P. Security Office.

On completion of the review the files are returned to appropriate records sections. A transit slip (A-5) is completed as a record of the type of checks carried out and to whom the file was passed. See Appendix "A" for statistics.

Other enquiries are received via telex, approximately 1/ day for a cursory check of Name Index.

If a security classification is required, form C-93 is completed, stamped "APPROVED" and passed to RCMP Security Officer HQ to inform appropriate Division.
