REMARKS (Use same A-5 for Reply when space permits) - REMARQUES (Si l'espace le permet, répondre sur cette formule)

attached for your information are copies of excerpts of the testimony of the Hon. Warren ALLMAND, former Solicitor General, at the McDonald Commission of Inquiry. The material is self-explanatory and points out the fact that the credibility of the Security Service was being judged on the basis of the "A" OPS investigation report.

Hopefully, this material will be of some assistance during the reevaluation of the Security Screening jobs from O.A.C.
