APPENDIX "D" TO REPORT  
[REDACTED] DATED 11 FEB 57

Statement of : [REDACTED]  
Age 18 yrs.  
LUCAN, Ontario.

[REDACTED] LUCAN, Ontario, having been duly cautioned in accordance with QR (Army) 101.08 voluntarily stated as follows:

Statement begins : I am [REDACTED] of LUCAN, Ontario, and I applied to join the Canadian Army at 7 PD on 7 FEB 57. At 8.30 pm 12 FEB 57 I left the wet canteen with [REDACTED] and four or five other fellows, and went to the barrack block. I went inside the room and I thought they were going to show me around, but they turned out the lights and then they started getting sexy and they wanted me to give them a feel. I told them I didn't want to so they started pushing me around. I didn't want to leave then because I didn't want to get anyone into trouble. I thought they were only fooling and then they started to force me to masturbate them. Some of them had five or six beers at the canteen and I didn't want to take any chances. One boy was pretty drunk and he had a fork and I didn't know whether he was going to jab me. I sorta gave in and started to masturbate a fellow, I can't remember his name. After I finished with him I started masturbating [REDACTED], and after I finished him it was [REDACTED] and after I'd finished with him a Cpl came to the door. The boys tried to get him away and they said that they were only wrestling and then the Cpl took me out. Statement ends.

Taken at Wolseley Barracks, Signed [REDACTED]  
LONDON, Ontario.
