Special Investigation -
Homosexual - Airwomen

1 Information, in conjunction with certain facts, has led us to believe that homosexual propensities are in operation among single airwomen at RCAF Stn Beaverbank NJ. Before constructive action can be instituted in accordance with CD4.00/53 para 1 (a), conclusive evidence must be made available.

2 It is therefore requested that special investigation services be provided in accordance with AFAC 22.00/08 para 4 (f) to carry out an investigation into this matter.
