MEMORANDUM FOR THE CABINET

Security Screening: Revised Personal History Form

On October 16th, 1963, the Cabinet Committee on Security and Intelligence considered a revision of the Personal History Form used as a basis for the security investigation of present or prospective employees of the government, or of defence industry, who are being considered for appointment to positions requiring access to classified information. (Copy of memorandum to Cabinet Committee, with appendices, attached).

The Cabinet Committee agreed that the revised Personal History Form be approved for use in all departments and agencies of the government.

D. F. Wall,
Secretary,
