

MEMORANDUM

HQC 3040-5 (Org 2)

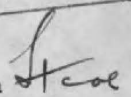

6 Dec 63

D Adm

Sexual Offenders

1. Reference your memorandum dated 2 Dec 63 hereunder.
2. The policy with which D Org is concerned in this matter is that of effecting release under the appropriate item of QR 15.01. The balance of "policy", (more rightly "procedures") to be followed in investigating and disposing of sexual offence cases, is properly a D Adm responsibility.
3. It is suggested that when HQC 3040-5 (Adm 2A) dated 10 Jul 61 is reviewed in connection with its application to CA(M) personnel that you also consider:
 - a. revising para 5 of the letter (first three lines) to remove the references to D Org letters. This will permit the D Org letters to be cancelled. Thus all instructions will be contained in one letter and not in three as is now the case. D Org will cancel the letters referred to on your advice;
 - b. revising sub-para a, b and c of para 5 of the letter by substituting new QR 15.01 references in place of the old;
 - c. distributing the revised D Adm letter to conform, as now appropriate, to the type distribution contained in the D Org letters under reference.
