Reference: A. Your memo dated 26 March, enclosing reply from the Deputy Minister of Justice.

1. I am prepared to take the advice of the Deputy Minister of Justice on this matter at this time. However, in view of his remarks in the last paragraph of his letter, it is understood that you will take the necessary action through your JAG Officers as to the procedures that should be adopted by unit commanders in the event of Service personnel being involved in the activities under discussion. Further, that you will take the necessary action through normal channels to amend or add any notes to the relevant articles of QR&O which relate to offences under Sections 83, 84 or 118 of the National Defence Act.
