<u>DMTS-2</u>	<p><u>Plaw</u> your opinion kept I sign please (needs to be re typed anyway). Since I don't know the Supon General's personal views in this issue I need confirmation that in addition to DMTS, the Chief of Psychiatry concurs with my statements. If you are certain Ken agrees, that is all I need. If you're not (ie. that Ken might rebut any of these statements after the fact) would you please call him and discuss.</p> <p>Thanks 1 Sep 82</p>
