HOMOSEXUALITY - DOD DIRECTIVES

References: A. No. 1332.30 officers (enclosed)
B. No. 1332-14 enlisted (enclosed)

1. Reference A and B are enclosed for information.
2. The DOD has no intention of changing its policy with regard to homosexuals and the Armed Forces. Apparently homosexuals affect unit cohesiveness adversely and that no additional unit stress is required.
3. Recently the TV show "60 Minutes" aired this question. The DOD did not present its views very well. This may have been done on purpose as there is active litigation involving two of the cases presented. Apparently a Canadian TV Company is planning a similar program.
