

Office of the Minister of National Defence / Cabinet du Ministre de la défense nationale

ADM Per,

*Hy*

LETTER TO TERRY SARGEANT, M.P.

The Minister would like another try at a draft of this letter. Perhaps you could have the legal advisors give their opinion?

In view of the fact that through normal channels the letter bounced twice, I thought it better to send this note directly to you.

I regret I cannot give you more to go on.

Thank you for your usual strong cooperation.

Enclosure: 1
