LETTER TO MR. SARGEANT, M.P.

1. As you are aware, the Minister has not released previously drafted letters to Mr. Sargeant concerning our homosexual policy. The most recent memo from EA/MND has reopened this issue and we must again attempt to satisfy the Minister's requirement and thereby reply to Mr. Sargeant. In addition to EA/MND's memo, he discussed a proposed course of action with me yesterday and it is proposed that a Briefing Note be prepared which the Minister could pass to Mr. Sargeant with a very brief covering memo which would indicate that he, the Minister, is conveying the departmental position with which he was provided. This approach would be similar to that used recently in replying to members of SCEAND.
