CF POLICY ON SEXUAL ORIENTATION

Ref: 1745-42-7 (D Charter) 14 May 90

1. Enclosed is the requested outline of my testimony on the issue of sexual orientation with respect to the Land Force. The text is not so much a script as it is a guide. It has been developed in four parts: The Army, The Soldier, The Environment and The Issue. I am enclosing a sample of the pictures that I plan to use as visual emphasis in support of my statement.

2. To ensure that I have the party line correct with respect to this issue, I would like to meet with you and others, whom you suggest, at a convenient time.
