1. ADM(Per) was briefed on the draft CFAO 19-36 on 23 Oct 91 and several minor changes were made as a result. The CDS has approved the enclosed English and French versions and it is expected that the CFAO will be published as part of CFAO/CFSO Change 25 dated 6 Dec 91. However, until it is published it has no official status.
2. Your assistance and/or that of your staff has been much appreciated.
