

S-1-6

SECRET

June 21st, 1977

Mr. T.G. Morry,
Director General,
Anti-Discrimination Branch,
Public Service Commission,
O t t a w a.

Dear Mr. Morry:

Attached is a copy of a redraft, dated June 21, 1977, of the document on homosexuality in relation to employment in the public service where security clearance is required. In the redraft I have attempted to incorporate the revisions agreed upon at the April 21 meeting of the Interdepartmental Committee on Security and Intelligence when it examined the earlier text. You will notice that the redraft is much shorter than the original, and that the "Considerations" section has been deleted.

I would be very pleased to have your comments and suggestions - particularly with respect to the opening paragraph, and Guideline 8 (concerning frankness with applicants for public service employment).

I hope to be able to submit the redraft to the Chairman of the ICSI as soon as possible.

Yours sincerely,
