Mr. R. G. Robertson,
Secretary to the Cabinet
for Federal-Provincial Relations,
59 Sparks Street,
Ottawa, Ontario,
K1A 0A3

Dear Mr. Robertson:

I am writing to you today to inform you that when the Interdepartmental Committee on Security and Intelligence next meets to discuss personnel security clearance and homosexuality in relation to employment, I will be bringing forward positions of my Minister which differ from the policy that is being drafted by your Committee to date.

During the month of May my predecessor wrote to Mr. Cullen providing him with background information on the two above subjects which were discussed by your Committee at its meeting of April 21, 1977. Mr. Cullen has indicated that he is strongly opposed to excluding homosexuals from federal public service, and he will undoubtedly make his views known in Cabinet.

Yours sincerely,

J. L. Manion
