Rockcliffe, Ont, 25 Apr 51.

Air Officer Commanding,
RCAF Air Transport Command,
Rockcliffe, Ontario.

Personnel Alleged to Have Committed Homosexual and
Indecent Acts or Suspected of Homosexual Tendencies

Sgt
LAC

1 The airmen above mentioned were charge on 19 Apr 51 with committing an act of gross indecency and/or consenting to an act of gross indecency of a homosexual nature.

2 After a thorough investigation by the Commanding Officer as directed in paragraph 465 (5) (KR(Air) some weakness in the evidence was disclosed and no conclusive substantiated evidence was produced that would justify the case being proceeded with. Action has therefore been taken under the authority of and in accordance with paragraph 465 (5)(a) KR (Air).

3 The policy for dealing with such cases, as outlined in AFHQ letter S45-4-57 (DPA) dated 4 Mar 48, paragraph 4, was followed and medical evidence confirms that both airmen implicated in this case are considered to be homosexual type and the action outlined within this policy is clearly indicated.

(2) Para 4
Approved.
