Policy regarding Homosexuals, etc.

1 The existing policy with regard to the disposal of Homosexuals, etc. is being reviewed and it is felt that the Consultant in Neuropsychiatry should assist in the determination of the policy.

2 Attached herewith for your information is a copy of the existing policy letter (4 May, 1948) and a copy of a recent draft with attached memoranda and minutes intended to revise the policy.

3 Your assistance in helping to formulate a suitable policy would be appreciated.
