CONFIDENTIAL

The Chief of the Air Staff,
Air Force Headquarters,
Ottawa, Ontario.

Release Policy - Personnel Alleged to have
committed Homosexual and Indecent Acts.

1 Reference your S45-4-57 (DAFS) dated
16 Oct 51.

2 It would appear that the referenced policy
letter, regarding release of personnel who have committed
homosexual or indecent acts, should be reissued to conform
with the recent amendments to QR (Air).

3 It is considered that Article 15.01 Item 2 (c)
"Unsatisfactory Conduct - Service Terminated" is the applicable
release section rather than 15.01 Item 2 (b) "Through Continued
Unsatisfactory Service - Service Terminated".

4 Also, the referenced letter, although dealing
with releases and thus the responsibility of DPC Branch, was
originated in the DAFS Branch.

5 The policy resume attached to the referenced
letter is apparently a NWAC Command Instruction. If it is
to be adapted as a Service wide policy, it is considered
advisable to amend it to read CHQ or Grp HQ rather than NWAC.

(H.C. Ledoux) G/C,
