Releases - Airwomen

1 Reference is made to the Treasury Board request for further information on a number of airwomen releases authorized under the provisions of QR (Air) art 15:01 item 2 (c).

2 The releases in question were approved by the Air Officer Commanding Training Command and complete background information is not available at Air Force Headquarters. Training Command Headquarters has been requested to forward a detailed report in this respect and further information will be supplied when this report is received.
