MEMORANDUM TO THE SECURITY PANEL

Security Screening of Government Employees

Attached is a draft Cabinet Directive on Canadian security policy in the public service setting forth a number of new procedures and standards which appear, in the light of experience during the past two years, to be desirable. The draft is designed to replace Cabinet Directive Circular No. 24 of October 16, 1952, entitled "Security Investigation of Government Employees". 2. The Security Panel is asked to consider if this draft directive should be recommended to the Cabinet for consideration.
