## Discipline

1 The a/m trainees of graduating course 5417 at 4 FTS Penhold were involved in an act of unnatural conduct on the evening of 21 - 22 Oct 55, at the Station Hospital of this Unit.

2 At approximately 0200 hours, 22 Oct 55, [redacted] RCAF, telephoned the Station Hospital and advised that an ambulance was required for [redacted] RCAF, who had become ill as a result of excessive drinking. [redacted] accompanied by [redacted] arrived at the Station Hospital by ambulance at approximately 0215 hours. [redacted] refused to be put to bed until finally [redacted] advised the Medical Assistants that he would go into [redacted]'s room and attempt to quiet him and get him in bed. Almost immediately after [redacted] entered the room the noise being made by [redacted] ceased.

3 At approximately 0300 hours the two Medical Assistants went in to check [redacted] in his room. Upon pushing the door open they observed [redacted] in the act of masturbating [redacted] who was lying naked on his bed. On being ordered to leave the room [redacted] became affectionate towards [redacted] advising him not to worry and that he would see him in the morning. Prior to leaving the Station Hospital [redacted] attempted to return to [redacted]'s room whilst the two Medical Assistants were answering a call from another patient in the Hospital.
