TOP SECRET

The Officer Commanding,
RCMP "A" Division,
OTTAWA, Ontario.Re: Known and Suspected Homosexuals

This has reference to our letter of June 30, 1960 concerning the interviewing of those homosexuals in the Ottawa area who are not employed in or by the Federal Government.

2. Since your investigators will have exhausted the list of potential sources, provided by this H.Q., in the near future it has been decided that the interviewing of additional sources will be left to your discretion. However, to ensure that all available information is in the hands of your investigators in each case it is suggested that they check the records at this H.Q. prior to each interview.

3. It is felt that the adoption of this method will reduce the amount of administrative work connected with the investigation and will facilitate the interviewing of the potentially more productive sources.

Supt.,
(W.H. Kelly)
Assistant D.S.I.
