At Jan. 18 mtg with RCMP, the Commissioner raised the issue of homosexuality. He said he wanted to know whether he had policy support from the Minister or no horns in the face. EM concurred in principle. Shoemaker acknowledged there are mixed views in the Secretariat.

Commissioner promised to bring a paper forward again for final consideration.

The attached docket was not used for the discussion.

— The issue of retirement age will also be brought forward by the Commissioner. He and EM favor a 60 limit - similar to all provinces except Ontario (65).
