

Ottawa, November 19th, 1958.

The Honourable Sidney Smith, Ph.D., M.P.,  
Secretary of State for External Affairs,  
O t t a w a.

Dear Mr. Smith:

Further to a Cabinet decision of October 27th, 1958, setting up a committee of Ministers to consider an appeal procedure in connection with security matters in the public service, the Minister of Justice has asked me to let you have a copy of a draft Order in Council which he discussed with the Security Panel some months ago, in order that you might study it and discuss it with your departmental officials. I therefore attach 2 copies of the draft Order, and will be happy to supply further copies should you find them necessary.

Yours sincerely,
