REMINDER FOR COMMISSIONER TO BE KEPT ON COVER OF
FILE

Re: Security Panel

Commissioner is to be reminded that at the next meeting of the Security Panel in which Security Risks - Homosexual, is discussed, that he proposed to suggest to the Panel that a committee be set up, together with sufficient funds, in order to make a thorough study of homosexuality with a view to applying the findings in the handling of homosexuals presently in government, and ascertaining before employment in government whether an applicant for service is a homosexual or not.
