

MEMORANDUM

a below Second Priority (c)

NOTE

(The Commissioner of the R. C. M. Police feels that these tests should be extended to prevent, where possible, the initial engagement of homosexuals in the government service on the grounds that they are usually practising criminals under sections 147 and 149 of the Criminal Code of Canada.)

MEMORANDUM

to identify persons with his tendencies. It is hoped that such tests might aid in the identification of persons already employed in ~~vulnerable~~ ~~positions~~ in the government service and eventually might assist in the selection of persons who are not his for service in vulnerable positions.

The Commissioner feels that these tests should be extended to exclude from his for the position, on the basis that they are criminals under Sec - 9 CCC.
