June 14th, 1961.

TOP SECRET

The attachment contains additional information concerning [REDACTED] and is further to our letter of May 26, 1961

2. The information in the attachment was obtained through a re-interview of the source whose previous disclosure was set out in paragraph 4 of the attachment to our letter of 26-5-61. During the second interview the source provided the information in a straight-forward and unhesitating manner; we have no reason to doubt the veracity of his statement. Because of the positive nature of the information we feel that it serves to corroborate the allegations made and suspicions raised by other sources in our previous correspondence.

3. Because our source has been closely associated with [REDACTED] since 1959 his position is very delicate and it is requested that every precaution be taken to protect his identity.
