MEMORANDUM FOR THE SECURITY PANEL

New Democratic Party Views on
Internal Security

Attached is a draft memorandum for the Cabinet Committee on Security and Intelligence setting out some of the views expressed in the House of Commons by members of the New Democratic Party over the past five years, and related background information. Also included is a proposal, made by the Prime Minister, that the Cabinet Committee meet with appropriate members of the N.D.P. to discuss security matters in general.

The Security Panel is asked to examine the attached draft memorandum and consider whether it provides the Cabinet Committee with the views and information necessary to provide a useful basis for discussion with members of the N.D.P.

D. F. Wall,
Secretary of the Security Panel.

Privy Council Office,
September 26th, 1963.
