Ottawa, September 29th, 1964.

Inspector J.E.M. Barrette,
Royal Canadian Mounted Police,
O t t a w a.

Dear Inspector Barrette:

I refer to your letter of September 22,
your file D 393-7-961, concerning the suitability of
[REDACTED] as a candidate for testing in
connection with Dr. Wake's project.

We have reviewed with the Department of
National Defence the information concerning [REDACTED]
and have concluded that it would not be advisable
to have him returned to Ottawa for medical examina-
tion prior to discharge due to a variety of factors
which suggest that he is not sufficiently stable and
reliable to be considered at this time.

Yours sincerely,

AND SIGNED BY

D. F. Wall,
Secretary of the Security Panel.
