Dear Mr. Kaplan:

Re: Civilian Member [REDACTED]
Security Clearance

Since writing to you in this connection on May 29, 1981, and after giving particularly careful thought to our discussion of May 26, I have re-examined all circumstances surrounding Civilian Member [REDACTED] security clearance. After weighing all information extant at this point in time, I have decided to allow her clearance to the 'Confidential' level. Her work is structured so that she will not have access to material classified higher than that level.

Since there are serious concerns in this case, it is my intention to have this situation monitored on a regular basis and, depending on how circumstances unfold, to raise or lower her security clearance, should such action become necessary.

Yours sincerely,

R.H. Simmonds
