OBJET:

ENQUÊTES SÉCURITAIRES EFFECTUÉES PAR LES
DÉTACHEMENTS

1. General

- a. Local RCMP detachments conduct security screening investigations in locations where it is impractical for Security Service units to do so.

b. Add

2. Detachment Commander

- a. Conduct all inquiries within the time limit allotted by the Security Service area/district commander.

b. Add.

- d. Submit the original and one copy of the report and related correspondence to the originating area/district command.

- e. Retain one copy of all material for one month from the date of the concluding report; then forward to the originating area/district command.

3. Area Command "F" Operations

- a. Place the area command copy of the report and all related documentation on file.

1. BF the file to ensure correspondence is returned in compliance with 2,c.

b. The relevance of homosexuality to security can only be judged in its full contextual circumstance. Investigations and reporting therefore must go beyond the simple identification of a person as a homosexual and provide as full an appreciation as possible of how the individual copes with homosexuality.

2.b. Where allegations of homosexuality arise during an investigation, attempt to the fullest extent possible to obtain independent corroborative information.

2.c. When conducting inquiries or interviews, explore fully how the subject copes with homosexuality with emphasis upon whether he or she is embarrassed or secretive about it and if vulnerable to compromise, blackmail or indiscretion.
