SUBJECT
OBJET Security Screening - Reliability Factors

This has reference to your memo dated 83-11-29.

I have prepared the attached amendment to Bulletin OM 142 to cover inquiries and interviews touching on the matter of homosexuality when enforcement personnel are assisting the Security Service with security screenings.

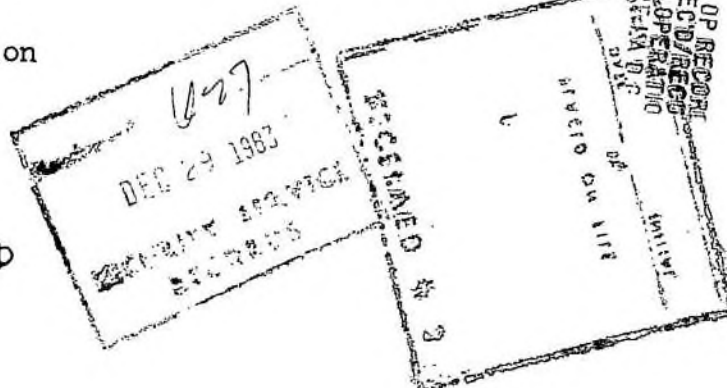

I cannot republish your Bulletin SSOM 72 as a "C" Directorate bulletin because I cannot dictate policy and procedures affecting the Security Service mandate or its personnel. I should also point out that only the Commissioner can approve Force policy.

Prior to publishing this amendment I would be pleased to receive your comments touching this matter.

R.R. Schramm, A/Comm'r.

Director
