My dear Colleague:

In **Toward Equality**, our government response to **Equality For All**, the government made commitments in response to recommendations 10 and 11 which have a direct impact upon the RCMP.

As you recall, I have been given the responsibility to coordinate the implementation of **Toward Equality**. In June, I will be required to make a progress report to CCSD concerning the implementation.

To fulfill my responsibilities, I need to know what measures you will be proposing to ensure that RCMP policies are in compliance with the government commitment with respect to recommendations 10 and 11.

I look forward to your early reply.

Yours sincerely,

John C. Crosbie
