Dear Sir:

Re: Equal-Opportunity Hiring Procedure

Please find attached copy of correspondence which was forwarded to our Staff Relations Representative in Winnipeg expressing our concern regarding the possibility of hiring Homosexuals/Lesbians within the Mounted Police.

As you can appreciate there are many concerns from the membership as a result of Equal-Opportunity hiring and one obvious factor is the loss of our credibility in the smaller communities we police. Even a town of Dauphin's size could not conceal the fact a homosexual/lesbian is employed with the R.C.M.P.

It would be appreciated if you would express to your colleagues in the House our concerns in this regard.

Yours truly,
