My dear Colleague: 

When the Cabinet Committee on Social Development completed its consideration of the Government's response to the recommendations of the Parliamentary Subcommittee on Equality in their report, Equality for All, the Minister of Justice was requested to report back in September on the progress in implementing the Government's response, Toward Equality.

I know that considerable work has already been done to implement this response. For the purpose of making my report to the Committee I would appreciate it very much if you could provide me with information prior to the end of August respecting your progress in implementing the responses to those recommendations which fall within your area of responsibility.

Any questions from your officials regarding these matters could be directed to Ms. Clare Beckton, the departmental officer responsible for coordinating our initiatives relating to the implementation of the Government response on equality. She may be reached at 996-8925.

Thank you for your cooperation and assistance in this regard.

With kindest regards, I remain,

Yours sincerely,

Ray Hnatyshyn
