PRIVATE & CONFIDENTIAL

The Hon. Ray Hnatyshyn,  
Minister of Justice & Attorney General  
of Canada,  
Room 135 East Block,  
House of Commons.

Dear Mr. Minister:

I originally wrote you on August 15th, 1986 on the subject of sexual orientation. After receiving no reply, I sent you a follow-up letter dated September 10th. On September 17th you replied to these two letters; however, again it was necessary for me to write to you on October 27th as your letter did not answer the questions I raised.

I have not received a reply to my letter of October 27th, 1986, or even an acknowledgement. How many times do I have to ask you for an answer to the questions I originally raised on August 15th, 1986?

Sincerely yours,

Benno Friesen, M.P.  
Surrey-White Rock-North Delta.
