MEMORANDUM

15 Mar 90

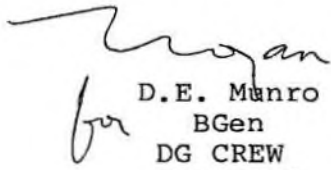

DG Pers C

DEFENCE OF CF POLICIES
RE PRACTICING HOMOSEXUALS

Ref: 1460-45-3 (JAG) 14 Feb 90 (attached)

1. Following representation to ADM(Per) by JAG, CPCSA has tasked my office to coordinate the collection of evidence for the defence of CF policies re sexual orientation. Mr G. Logan, D Charter, has been assigned to this task on virtually a full-time basis.

2. You will note that at para 4 of his memorandum, JAG requested that "the necessary funding be authorized to obtain whatever expertise is required, from Canadian or foreign sources". While it is impossible, at this stage, to estimate what funding will be required, most of this funding will be needed for FY 90/91 and a request will be forwarded in due course. However, contingency approval is requested to expend up to \$1500.00 against 0149HX 09MA 02106 in FY 89/90 in addition to previously approved funding.
