CF POLICY ON HOMOSEXUALITY

Ref: 1000-1 (COPFD) 13 Mar 92

1. I presume you have a copy of COPFD's memo highlighting his concerns about appearing as a witness.
2. It should be noted that while I have not taken any action along similar lines, you will understand that I am still monitoring "developments" and your continuing efforts to keep me abreast of changes is appreciated.

Not quite sure why this was sent by ADM(Per) to CPCD, but anyway we have it.
